

The Nutmeg Foundation

Statement of Purpose

The Nutmeg Foundation is a private, independent foundation whose purpose is to foster the acquisition of knowledge and skills that enable organizations and the individuals they serve to achieve their goals. Priority is given to vibrant organizations that enhance personal growth, independence and self-sufficiency

Grants will be awarded for organizational improvement and program development. Of special interest is the funding of a consultant or specialist to answer critical questions relating to program, the Board, the mission or the future direction of the non-profit. The Foundation will consider stand-alone projects as well as a portion of a larger project. Cooperative projects with like minded organizations will be considered and we encourage organizations to work together for the good of the populations served.

Examples of past funding include:

- Strategic Planning
- Technology Training
- Program Evaluations
- Organizational Communication

The Foundation does not accept proposals to fund ongoing programs.
